Passcode

PRIVATE HOUSE

How smartphone can be your first choice of unlocking

- It supports Bluetooth connection to allow unlocking via your phone, ensuring you'll always have access to your home at your fingertips.
- You are at work but delivery arrives at home? Unlock remotely, so the package safely waits inside.

PRIVATE HOUSE

Sharing digital keys with people you trust

It's easier than ever to create permanent or time-limited access for your family and friends. If you want to make your home available for short-term rentals, the lock also comes in handy.

Family members
who visit on holidays

Close friends
who come by often

Baby sitters or pet walkers
who walk in regularly

Easy to install yourself

You don't need to be a locksmith. Simply upgrade your deadbolt with this smart lock in no more than 10 minutes! Simply mount it on the door from the inside. No screwing, drilling, or permanent changes are required.

*Follow our [Installation Check](#) to find out if EZVIZ Smart Lock fits your door

Safety protection, always take care of your home

Alert upon a left-open door

In case you forget to close the door firmly, a mobile alert will be instantly sent to your phone within the Bluetooth-supported range.

 **Door-Left-Open Alert**

Auto-lock in case you forget

Going out in a hurry? The Smart Lock will lock itself after you close the door, so you don't stress yourself about a left-open access.

 **Auto-Lock**  **Auto-Lock Delaying Timer**

Greatly satisfy your taste in front-door design

The DL01 Pro uses metallic material to withstand the elements and better blend with your modern-style front door.

Rental hosts

No personal key handover for short term rentals, save time and money

Easy on every booking, self checking in eliminates the need for in person key handovers. Allowing guests to check in themselves 24/7 without waiting time. Give your guests carefree relaxation during their vacation.

**RENTAL
HOSTS**

Past without EZVIZ

- ✗ Lost keys and troublesome lock changes.**
- ✗ Don't know when tenants leave, hard to control house status.**
